Quisquis fortunæ correptus turbine, perfers
Quam tibi iacturam fata sinistra ferunt.
Aut animæ delicta gemis, Phlegethontis & ignes
Anxius æternos corde tremente paues.
Quisquis & virgeris tam tam decedere vita
Alerius: migrans, me cius hospitij.
Huc ades: auxilium pete: continuoq; rogabo
Pro te: quem pauci lætæ reliquij finit.
Ille deus rerum mihi subdidit astra deosq;
Flectitur ille meis O homo supplicij.

 Sedula clauſa deſertum ſi natura claudet.
 Excellit fedetis gloria ſacroſancto.
